Patent Appl. No. 08/860,182

Dear Mr Morrow,

04/29/1999

I may inform you that my parents have already mailed my letter and a draft of \$ 465 to Mrs Carol Parish of Finance Dept.

Would you like to reserve two or three days for the hearing so that I can arrange my flight and visit to my parents in Toronto?

How far is your building from the airport? Any transportation means (subways, taxis)?

I would phone you in the coming week.

Thank you very much for your help and interest.

kind regards

Go
